

**Terms Of Reference**  
**Developing Design Materials for Transparency Maldives Calendar 2015**

Transparency Maldives is seeking an individual or a firm based in the Maldives to develop and design materials for our 2015 Calendar.

**II. Background**

Transparency Maldives (TM) is looking to create a calendar based on corruption and its impact on peoples daily lives in order to raise greater awareness about corruption within the general public.

**III. Scope of work**

The selected party will get familiarized with the different concepts of corruption and governance and will work in close coordination with TM to provide deliverables as follows:

2. Develop and design 2015 desktop calendar (single design)

**III. Consultant profile**

1. Minimum of 3 years work experience in the field of campaign, preferably advocacy campaign with experience in social issues related awareness.
2. Strong knowledge in traditional and new media communications and technologies.

**IV. Duration of Assignment**

One month from the date of signing the agreement.

**V. Reporting**

To TM, with regular updates and maintaining continuous coordination
