REQUEST FOR PROPOSAL
Research Consultancy

1. INTRODUCTION

1.1 Purpose
The purpose of this Request for Proposal (RFP) is to invite prospective service providers to submit a methodology proposal, quotations and technical specifications to undertake a law review pertaining to all laws, policies, and regulations related to the environment. The RFP provides service providers with the relevant operational and performance requirements.

1.2. Coverage & Participation
Transparency Maldives (TM) reserves the right not to enter into any contract, to add and/or delete elements, or to change any element of the coverage and participation prior to the award without prior notification at any time without any liability or obligation of any kind or amount.

2. GENERAL INFORMATION

2.1 The Organisation
Transparency Maldives (TM) is a non-partisan organization that endeavours to be a constructive force in society by promoting collaboration and discussion on corruption, transparency, and accountability. TM seeks to engage with stakeholders from all sectors (government, business, political and civil society, among others) to raise awareness of corruptions’ detrimental effects on development and society, improve transparency and accountability in governance, and eliminate corruption from the daily lives of people.

Transparency Maldives received formal government registration in 2007, and is the National Chapter of Transparency International in the Maldives.

2.2 Schedule of Events
The following tentative schedule will apply to this Request for Proposal (RFP), but it may change in accordance with TM’s needs or unforeseen circumstances. Changes will be communicated by email to all service providers.

4. SCOPE OF WORK & GUIDELINES

Climate finance governance is a key component of the work TM undertakes to monitor the governance of climate finance in the Maldives. Climate funds flow into the Maldives through a range of channels, involving a diversity of actors engaged in funding, coordinating, implementing, monitoring and overseeing this finance in the Maldives. Since 2011, TM has been working with relevant stakeholders to strengthen the existing climate finance governance framework. In this regard TM has undertaken review of climate finance governance landscape of Maldives and conducted a study on climate adaptation finance governance standards.

This law review would be essential in informing further work we do in advocating for strengthening laws in order to enable climate adaptation and mitigation work and combat climate corruption. It will also help contribute to the developing good governance standards in the institutions and processes that are responsible for climate finance.

The law review should include:
- A brief background/history of environmental laws in the Maldives.
- A comprehensive review of all current laws, regulations, and policies related to the environment in the Maldives.
- An analysis of gaps and inconsistencies in the existing legal framework that contradict with international best practices.
- An analysis of the level of implementation and challenges faced in implementing laws, regulations, and policies related to the environment in the Maldives.
Policy recommendations on reforming and strengthening the existing legal framework.

Responsibilities of Consultant (in close consultation at every stage with TM):
- Undertake a desk review of existing laws, regulations, and policies relating to the environment.
- Provide a detailed methodology for the review of existing laws, regulations, and policies relating to the environment.
- Submit a realistic work plan for a period not exceeding 70 days.
- Identify key stakeholders and provide a list of stakeholders to be interviewed.
- Arrange necessary meetings with stakeholders and conduct interviews and/or focus group discussions.
- Produce a draft report detailing an analysis of existing legal framework relating to the environment, gaps in the framework and laws not aligned with international standards together with recommendations.
- Present the findings of the assessment report to TM staff.
- Facilitate a multi-stakeholder workshop to validate the findings of the report.
- Produce final report with feedback from TM and stakeholders considered.

5. FUNCTIONAL REQUIREMENTS

The Contractor is expected to start the assignment in last week of September 2018 for a period of 70 days.

6. FORM/CONTENT OF THE RESPONSE

Service providers must provide the following information in order for their proposal to be considered. Both individuals or teams may submit proposals.

1. Details about the service provider:
   - Describe your experience in conducting research.
   - Provide a brief description of each team member and a statement of how team members meet the knowledge and skills needs of the assignment.

2. Technical proposal detailing:
   - Proposed research methodology.
   - Proposed work plan from start to finish.
     - The work plan for assignment will be evaluated. In addition, the work plan will be part of the contractual agreement; therefore, a realistic work plan for completion is requested.

3. Evidence of successful completion of an assignment of a similar size and complexity. Please provide a list of assignments and reference contacts. Please also provide the URL for completed reports, studies, etc undertaken. Only links that are live will qualify during evaluation.

7. BUDGET & ESTIMATED PRICING

Service providers are required to fill out the following cost breakdown. Pricing must be in Maldivian Rufiyaa. Unit prices are required and in the case of discrepancies between unit price and total price, the unit price will be taken as reference basis in the evaluation. Technical Specification must be shown per each item.
