REQUEST FOR PROPOSAL
Research Consultancy

1. INTRODUCTION

1.1 Purpose
The purpose of this request for proposal is to find a suitable consultant to:

1. Research and write **two environmental crimes case studies** with emphasis on the gaps in the environmental governance and protection processes that impacted the environmental crimes.

2. Research and write a **position paper** reviewing the criminalisation (or lack thereof) of crimes/ecocides in the Maldives and internationally, with a view to a) identifying legal and practical gaps; and b) providing recommendations to strengthen Maldives' environmental justice system.

The research work is expected to be conducted in consultation with relevant stakeholders.

1.2. Coverage & Participation
Transparency Maldives (TM) reserves the right not to enter into any contract, to add and/or delete elements, or to change any element of the coverage and participation **prior to the award** without prior notification at any time without any liability or obligation of any kind or amount.

2. GENERAL INFORMATION

2.1 The Organisation
Transparency Maldives (TM) is the country’s leading anti-corruption non-governmental organization, and is part of a global coalition sharing one vision: a world in which government, business, civil society and the daily lives of people are free of corruption.

Transparency Maldives received formal government registration in 2007, and is the National Chapter of Transparency International (TI) in the Maldives. Further details of our work can be found [here](#).

<th>30%</th>
</tr>
</thead>
</table>
Responsibilities of Consultant (in close consultation at every stage with TM):
The verification of information collected for both research work is the responsibility of the Consultant.

The Consultant is expected to:
- Develop methodology; developing a theoretical framework; identifying stakeholders; conducting interviews and focus group discussions
- Candidate Qualifications - candidate has demonstrable qualifications to undertake the assignment. Please provide qualifications of all team members and their roles. 20%
- Methodology Proposal (guideline for assessing the crimes and the methodology to undertake the research) 40%
- Proposed Work Plan (feasibility of the plan) 10%

3.6 Selection & Notification
Consultants determined by TM who possess the capacity to compete for this contract will be selected. The selected provider will be notified. Those consultants not selected for the negotiation phase will not be notified.

4. SCOPE OF WORK & GUIDELINES

As an organization working towards a corruption-free society, a core area of Transparency Maldives' work is monitoring the governance of climate funds that flow into the Maldives through a range of channels, involving multiple actors engaged in funding, coordinating, implementing, monitoring and overseeing these funds. As such, the case studies and position paper produced under this consultancy will inform the advocacy efforts of Transparency Maldives to strengthen the climate finance governance framework of the country.

The Consultant is expected to:
- Research and write **two case studies** (no more than four pages for each case study) on environmental crimes that take place in the Maldives. The case studies must also explore how the issues and challenges in the overall governance system impact or facilitate environmental crimes, and how corruption and influence of power plays a role in environmental crimes cases. The cases for the case studies must be selected in consultation with TM. Once the cases are selected, in addition to conducting desk reviews of existing information and laws and regulations related to the cases, the consultant is also expected to conduct interviews with key government stakeholders such as ministries, contracted parties, relevant local councils, representatives of beneficiaries and people who are impacted by the crimes.

- Research and write a **position paper** (no more than four pages) reviewing how environmental crimes/ecocides are criminalised in the Maldives and internationally. The position paper must identify the legal and practical gaps and conclude with recommendations based on international best practices and feedback from stakeholders. The consultant is expected to undertake desk review, conduct interviews with state and non-state stakeholders who might be able to provide key information on the subject. The position paper is expected to include, but not limited to, the following: (a) An introduction to the concept of environmental crimes/ecocides; (b) A look at countries that have criminalised environmental crimes/ecocides; (c) Arguments for and against criminalising it; (d) The Maldivian context, and; (e) Recommendations.

The verification of information collected for both research work is the responsibility of the Consultant.

**Responsibilities of Consultant (in close consultation at every stage with TM):**
- Submit a realistic work plan for a period not exceeding 60 days.
Identify and propose two environmental crime cases for TM's consideration.
Identify key stakeholders and provide a list of stakeholders to be interviewed.
Organize and arrange interviews with state and non-state stakeholders.
Provide notes from the interviews and focus group discussions conducted.
Provide photos of interviews, focus group discussions, and sites visited.
Produce two case studies (not exceeding four pages) with feedback from TM and stakeholders considered.
Produce a position paper (not exceeding four pages) with feedback from TM and stakeholders considered.

5. FUNCTIONAL REQUIREMENTS

The Contractor is expected to start the assignment during the 3rd week of April for a period of 60 days.

6. FORM/CONTENT OF THE RESPONSE

Consultants must provide the following information in order for their proposal to be considered. Both individuals or teams may submit proposals.

1. Details about the consultant:
   ● Describe your experience in conducting research.
   ● Provide a brief description of each team member and a statement of how team members meet the knowledge and skills needs of the assignment.

2. Technical proposal detailing:
   ● Proposed research methodology / guideline for assessing the crimes
   ● Proposed work plan from start to finish.
     ○ The work plan for assignment will be evaluated. In addition, the work plan will be part of the contractual agreement; therefore, a realistic work plan for completion is requested.

3. Evidence of successful completion of an assignment of a similar size and complexity. Please provide a list of assignments and reference contacts. Please also provide the URL for completed reports, studies, etc undertaken. Only links that are live will qualify during evaluation.

7. BUDGET & ESTIMATED PRICING

Consultants are required to fill out the following cost breakdown. Pricing must be in Maldivian Rufiyaa. Unit prices are required and in the case of discrepancies between unit price and total price, the unit price will be taken as a reference basis in the evaluation. Technical Specification must be shown per each item.

The total cost for the activity must not exceed MVR 60,000.
