**1. Organizational Background**

Transparency Maldives is a non-political organization that endeavours to be a constructive force in society by promoting collaboration and discussion on corruption, transparency and accountability. Our organization seeks to engage with stakeholders from all sectors (government, business, politics and civil society, among others) to raise awareness of corruption's detrimental effects on development and society, improve transparency and accountability in governance, and eliminate corruption from the daily lives of people. Transparency Maldives received formal government registration in 2007 and is the National Chapter of Transparency International (TI) in the Maldives.

TM's current focus areas include advocating for electoral integrity, anti-corruption and good governance, promoting open and democratic space, strengthening climate governance framework, and promoting community resilience and social cohesion. Transparency Maldives also supports communities across the country through its Advocacy and Legal Advice Center (ALAC), which provides legal advice and support to witnesses and victims of corruption and human rights violations.

**2. Position Summary**

The Project Officer will be a member of the project team "Promoting resilience in the Maldives" (PRIME) project. PRIME aims to foster community resilience and social cohesion to address social issues of concern to youth and their communities, thus, making them less vulnerable to violent extremist forces. PRIME project focuses on preventive measures by addressing the barriers to social cohesion and other social issues that prevents young people from achieving their full potential as economically and socially contributing citizens of Maldives. The Project Officer plays a key role in designing and implementing the PRIME activities at community level.
